# Black Anzacs Multimodal Book for iPad, iPhone, Mac

This Multi-Touch book for iPad, iPhone and Mac explores the contributions of Aboriginal servicemen and women to their country during the First World War and other conflicts in which Australia has been involved. This book follows the story of one particular serviceman William Williams. Learn about the Black Anzacs through detailed text, historical images and interactive activities. This book was designed by teachers to support the NSW Syllabus for the Australian Curriculum English K-10 and History K-10. Download Black Anzacs for free on the iBooks Store <http://apple.co/1JxeNq4>
